

Broughton Neighbourhood Development Plan (BNDP) Review Group
Tuesday 4th April 2023 at 7pm @ Toll bar Cottage

The Parish Council would like to invite you to send a representative to the review group meeting on the 14th March to explain the next stages of the review. This is so the community groups in the Village can be aware of the review and contribute to it.

An initial review group has been set up but we need more representatives from the community, a further meeting will be held to involve the business community later this month.
